

# International Synchronized Skating Mixed Age Trophy

Basel – Switzerland, 26 – 27 March 2021

To all registered Teams and  
To all Officials of  
SYS MA Trophy 26 – 27 March 2021

4313 Möhlin, 14 January 2021

## Cancellation of Event

Dear Team members, dear Officials

The development of COVID-19 situation was a great challenge for everybody in Switzerland in the last weeks and months. Organizers of sports events had to plan in various options and be prepared for a number of uncertainties and financial risks.

After the announcement of new and even more restrictive measures until at least the end of February, we carefully evaluated all options with their risks and benefits and **we came to the conclusion, to cancel the SYS MA Trophy 2021**. In this particular situation, the health of skaters, visitors and volunteers has highest priority and under these circumstances a normal and fair running of the competition was no more feasible.

In view of the great interest (18 teams preregistered), we obviously deeply regret, that we had to cancel this event, however we hope you understand our decision. We apologize for any inconveniences and thank you very much for all your patience and your interest to come to Basel.

We have not yet decided about a next competition, but will keep you in the information loop in due time.

Many thanks and best regards
