Cancellation Tissot Neuchâtel Trophy 2021

Dear Skaters, Coaches, Team Leaders, Federations, Officials

The Organizing Committee of the Tissot Neuchâtel Trophy, in agreement with the SYS Commission of Swiss Skating, had to take the sad and difficult decision to cancel the 2021 Tissot Neuchâtel Trophy and the Swiss Junior and Senior ISU Championships.

The current Covid situation in our canton and country has left us with no other choice.

Swiss Ice Skating is considering alternative ways of organizing the Swiss Championships in Junior and Senior ISU categories.

The current restrictions and the uncertainty of the beginning of 2021 do not allow us to plan and organize such an event. It is primarily thanks to the passionate work of the volunteers that our competition can exist and our priority is of course to protect their health and that of the skaters as well.

We would like to thank all teams that have already registered and inform them that registration fees already paid will of course be fully refunded.

We wish you all good health and all the best for the rest of the season and hope that the teams will continue to have the energy and pleasure to train in the best possible way.

Kind regards,

Tissot Neuchâtel Trophy
The Organizing Committee
